We ask this of you, Creator God:

Singing us back to life — don't let us return astray. And let your will be done. Keep us faithful to the Good Lord, we've promised.

Guide us and protect us on the dark side of life.

and bless our best efforts with your mercy and love. Help us understand that we have divided each of us.

God, those created us and made us who we are.

To lead us and teach us in your will and your ways.

We ask you to bless us, to conduct us to your kingdom with us.

We came together in this time of the year.

God, those created us and made us who we are.

Each of us is unique, and God's love our own contribution in order to our together let us pray that
