Eamon Hannan – Principal

Welcome back to Term 4. I hope families have had a restful break and are ready for the last term of the year. Our staff has been very busy over the break marking Term 3 assessment and preparing verification folios for Year 12 Verification meetings to be held on Monday 22/10/12. This day is a student free day.

For our Year 12 students this is a very short yet vital term as they do their last assessments in OP courses and complete their competencies for their Vocational courses. There are of course a number of end-of-year functions including Showcase (cultural) and the Sports Awards Dinner followed by Valedictory where we present our Year 12 students with their certificates and then they have their Graduation Mass on November 16. After this our Year 11 students become our new seniors, have their end of year exams, Leadership Week and their Semi-Formal.

It is important that students retain their focus. References are currently being generated for Year 12 students and will not be finalised until the last week of school. Behaviour and focus needs to be maintained right through to graduation.

Industry Placement and Work Experience

Over the last two weeks of Term 3 and during the holiday period we had more than one hundred students access industry placement or work experience. The reports from students, parents and employers has been overwhelmingly positive. Placements were organised through MRSILS a division of the MRAEL group. I would like to thank Mr Cassells and Mrs Browne who organised the students from the college end and all staff involved in workplace visits and supervision of afterhours exams. I am sure that many students will make better career choices based on this experience.

Year 12 Retreat

On Thursday and Friday this week Year 12 students will be having their retreat. We are once again fortunate to have the services of Mr Michael Fitzpatrick who leads the student body through some valuable exercises. The focus of the retreat is on relationships and transitioning to the next stage of their life. Previous senior groups have overwhelmingly positive feedback from these retreat days. It is a precious and valuable part of the senior year.

Year 11 Retreat and QCS

On Thursday and Friday the Year 11 group will have one day of retreat with the Passionist team and one day where they will do a QCS test practice. It is vital that all students attend both days.

Cathedral Art Union Draw

Please be advised that the Cathedral Art Union draw has been granted an extension to Monday 29 October. We urgently require the return of tickets, either sold or unsold, as soon as possible. If tickets are lost a note declaring this fact is required.

St Patrick’s Family

- We welcome back Mr Will Cassells and Mr David Frazer who have been on Long Service Leave in Term 3. We also welcome Ms Adrienne Reid and Mr Andrew Robinson who will be with us in Term 4. Ms Reid is replacing Ms Swaleha Ali who has resigned and Mr Robinson is replacing Mr Darren Ringelstein for four weeks while Mr Ringelstein is on Long Service Leave.
- During the school holidays, a number of students received awards or were selected in sporting teams. Congratulations to the following students:
  - Zoe Westwood received her Creative Generation Excellence in Art Award from the Education Minister Jean-Paul Langbroek. I was fortunate to be present when Zoe received her award from the Minister. See pictures page 9.
  - Sean Gibbs, Cameron Forsyth and Rhys McBride were selected in the Queensland Under 18 Hockey squad. The trials for the Queensland Under 18 team will be held in Brisbane in January.
  - Alexandra Mattinson and Tomas Richards, were selected into the UQ Young Scholars Program for 2012 – 2013.
  - Bradley Roper was selected to attend the National Youth Science Forum in Canberra in January 2013.
  - Sheridan Scott was selected to attend the Chrysalis Summer School at the University of Queensland.
- A number of our students will be competing in the Eisteddfod in coming weeks. We wish them every success.
Readings for this weekend’s Mass
First reading: Wisdom 7:7-11 “I prayed, and understanding was given me...”; Psalm: Psalm 89:12-17 “Fill us with your love so that we may rejoice...”; Second reading: Hebrews 4:12-13 “The word of God is something alive and active ...”; Gospel: Mark 10:17-30 ‘Good master, what must I do to inherit eternal life?’

Lesley Fraser – Assistant to the Principal: Religious Education

Dear members of the St Patrick’s College community. It’s always a great privilege to spend time with our students during the retreats which occur on Thursday and Friday this week. These young women and men relish the opportunity to step back from the pressures of their schooling to reflect on their relationships with each other and their families. They consider the kinds of adults they hope to be and think about the developments that might be needed to help them realize that goal. Just as integrally, they meditate on their relationship with God. For some that connection is already central to their lives, for others it’s less so. The privilege I experience is in witnessing our students’ openness to that relationship, however near or far God appears to be in their present consciousness.

There’s a humble optimism in their sharing about The God whom they variously describe as comforter, source of courage, home, guiding light, always available even if we’re not seeking direction, Spirit, saviour, encompassing, mystery both intimately near and ineluctably Other. The most encouraging element in all of this is the very fact that Year 12 students honestly and unselfconsciously share their faith. (… walk humbly with our God,) This time of sharing seems to flow naturally into a liturgy of Reconciliation, expressed through various means. Contrition, confession, forgiveness and absolution become a natural means for rebuilding relationships and recommitment to a shared calling to be ‘people for others’. (…act justly.)

The retreats experienced by our students give them a real sense of communion which nourishes and empowers. (… and love tenderly.) We have much to be thankful for.

MICAH 6:8
HE HAS SHOWED YOU, O MAN, WHAT IS GOOD. AND WHAT DOES THE LORD REQUIRE OF YOU?
TO ACT JUSTLY AND TO LOVE MERCY AND TO WALK HUMBLY WITH YOUR GOD. AMEN.

QCS 2013
This week the Year 11 students have taken home information about the QCS Test for all parents. This test is designed for all students NOT just OP students. All students will be sitting part of the test this week so they can make an informed decision about whether to sit it or not next year in Year 12.

The brochure contains information about all aspects of the test: what is it; why sit it; what preparation is required; what it tests; how it is marked and so forth – please read it carefully. If your student has lost their copy please collect another from the college office. The information is also available on the web at www.qsa.qld.edu.au/2318.html.

What’s in the test?
The QCS Test consists of four test papers:

- One Writing Task (WT)
- One Short Response (SR)
- Two Multiple Choice (MC)

When is it held?
The QCS Test takes place over two consecutive days late in Term 3. Next year it will be held on Tuesday and Wednesday, 3 – 4 September.

UQ Young Scholars Program
Congratulations to Year 11 students Alexandria Mattinson and Tomas Richards on their selection into the UQ Young Scholars Program. This program is designed to give students valuable insights into university life and fields of study they may not have encountered as part of the school curriculum. They will hear from leading thinkers and engage in discussions and collaborative forums in group settings. A range of social, sporting and cultural activities will complement the academic program. While on campus, students are housed in single rooms in one of UQ’s residential colleges. The Program is administered and supervised by University staff and Student Mentors and is a five-day (four night) Residential Camp at the end of November this year and a two day (overnight) Residential Camp in June 2013.

Release of Year 12 Results for 2012
All Year 12 students need to take notice of the following information:

Want your results and OP online?
Your Year 12 results and OP will be available in your learning account from 9:00 am on Saturday 15 December 2012.

You will need your Learner Unique Identifier (LUI) and password to log in. If you don’t know your LUI, ask your school.

Activate your learning account now, so you can access your results as soon as they are available.

Success comes with persistence

Dr John Gurdon and Dr Shinya Yamanka are recent joint winners of the Nobel Prize for Physiology. Together they have pioneered the generation of stem cells from other cells of the body. Because stem cells can be matured into any type of adult cell, their achievements have far-reaching medical implications, and are a testament to their intelligence and determination. The ability to create stem cells from other adult cells also has obvious positive ethical implications.

However, that is not the point of this reflection. At this time of the year many students are reflecting on their career ambitions and, as a result, possible changes to their current subject choices. The reasons for subject change are varied, but some students cite the difficulty of the subject and poor results as a significant factor. These may not always be good reasons to change.

Below is a comment that was written about Dr Gurdon on a high school report (fortunately this would not appear on a contemporary report).

“I believe Gurdon has ideas about becoming a scientist; on his present showing this is quite ridiculous,” his high school biology teacher wrote. “If he can’t learn simple biological facts he would have no chance of doing the work of a specialist, and it would be a sheer waste of time, both on his part and of those who would have to teach him.”

What appeared to be failure was in reality a challenge to be overcome. My concern is that we can allow students to give up too easily. The failure to achieve when effort has been expended is part of a learning journey, and every student is at his or her own stage. Education does not come easily, and it is the struggle to learn that is the point as much as the results.

Parents and teachers are not limiting the options of students. In many cases students are limiting themselves by “opting out” when the going becomes difficult. By going the extra mile, by persisting in the face of difficulty, as Dr Gurdon did, they are not only allowing themselves the opportunity to succeed, but they are also discovering what they are really capable of achieving. Of course, that is one of the primary purposes of education.

It may be appropriate for parents and guardians to bear this in mind when their students suggest they wish to change subjects in 2013.

All family and friends are welcome to attend this very important event. Students are reminded to check the information on the college sports noticeboard to ensure they will be acknowledged at the dinner for their representative selection.

Boys Soccer Report: St Patrick’s College v North Mackay High School Final
The St Patrick’s Boys’ Football (Soccer) faced North Mackay High School in a repeat of last year’s final. Like last year, St Pat’s had lost to their opponents in the group game. However, the boys were confident they could record back-to-back wins. St Pat’s started with their favoured 4-3-2 formation. This formation worked well with St Pat’s starting the stronger. Brayden “Handful” Bates created the first chance for Charlie, who narrowly headed over. St Pat’s captain, Cameron “The Enforcer” Stewart had the next shot after good work by Mori “The Hair” Amable, Brayden and Charlie. Zekiel “Bust It” Franettovich then had a couple of headers saved after some excellent work and crosses from “The Enforcer” and Damian “Springy” Van Der Berg. Whenever the opposition managed to get in the St Pat’s half Dan “The Man” MacDonald was on hand to marshal the defence and snub out any threat. “The Man” was well assisted by Daniel “Keep the ball” Coleman, The Hair and Brennan “Terrier” Tolson.

St Pat’s continued to dominate the first half, Coach Joel had his strongest squad of the season and was able to bring on Connor “Pommy” Roulston, Riley “The Goat” Capra and crowd favourite and voice captain Harry “Fitz” Fitzgerald, who received the biggest cheer of the evening when he ran on to the pitch. North High managed one long range shot which Thomas “The Cat” Allen saved easily. At the end of the first half St Pat’s had a clear penalty claim for handball not given.

Coach Joel gave his usual upbeat, positive and motivating half time pep talk. He was ably assisted by the colleges soccer guru Ashley “I want to be English” Montgomery. Unfortunately Mori had to come off at half time due to illness. Luckily he was replaced by the very capable Lachlan “The Mouth” Pierpoint who played in the centre of defence with Daniel Coleman moving to right back. St Pat’s started the first half how they had finished the first and dominated the game. Darragh “Irish” Keogh was working tirelessly in midfield and Charlie was showing he could tackle as well as pass and shoot. Brayden “Handful” Bates was getting the better of his man every time down the right flank and certainly living up to his nickname.

Brennan “Terrier” Tolson was dominating the left flank both in defence and attack and had a marvellous 40 yard effort well saved by the North High goalkeeper. The opposition goalkeeper made further saves from Charlie, Brayden and The Enforcer. Not to be outdone, the St Pat’s goalkeeper Thomas “The Cat” Allen saved his best game for the final. He was bossing his defence effectively, coming off his line superbly and making fantastic saves from the couple of chances that the opposition managed to create.

The well-deserved breakthrough finally came from a well taken chance from the edge of the box by Charlie. It was just rewards for all the pressure St Pat’s had exerted on the opposition. North High never gave up though and the St Pat’s team had to remain focused for the remainder of the game. The players were determined not...
to give their well-deserved lead and gave 110% effort and commitment. This was exemplified by Brayden “Handful” Bates who put his body, on the line, to ensure that North High were unable to get back in the game.

The final result of 1 - 0 was in all fairness generous to North High. St Pat’s dominated the game from start to finish. The whole squad played well and it was the squad that won the game. Man of the Match was justly awarded to Brennan “Terrier” Tolson. This was a great achievement by the boys to win back-to-back titles. Well Done.

Influential captain, Cameron “The Enforcer” Stewart winning another tackle, ably supported by Darragh “Irish” Keogh and Damian “Springy” Van Der Berg

The St Pat’s squad was Thomas Allen, Mori Amable, Daniel Coleman, Jayden Berardi, Brennan Tolson, Brayden Bates, Cameron Stewart, Daniel MacDonald, Darragh Keogh, Zekiel Franettovich, Charlie, Connor Roulston, Lachlan Pierpoint, Harry Fitzgerald, Damian Van Der Berg, Mori Amable, Lachlan Pierpoint, Riley Capra, Harry Fitzgerald, Adam Berardi, Lachlan Walker.

Japan Tour a Success!

Over the September holidays 15 Students travelled to Japan on the Mackay-Matsuura Council Scholarship tour. Students spent the first 2 nights in Tokyo and visited Disneyland and the very famous Harajuku area. We then home stayed seven nights in Matsuura and every student was very sad to leave. Even though the four days we spent visiting Kyoto, Nara and Osaka were amazingly full of technology, history and culture, nothing can compare to the friendships formed in our sister city Matsuura. This tour is now being advertised for 2013 September holidays and if you are able, it is a terrific tour for an extremely reasonable fare. This year the tour cost students under $2 000 because the council subsidises the trip. If you are interested please speak to the three students who participated in this tour. You will pick them in the photo with their St Patrick’s uniform: Catherine Gan Lim, Aindrea Fuller and Tegan McLean.

Application forms are available from Browne Sensei.
Zoe Westwood receives her Creative Generations Art Award from Education Minister John-Paul Langbroek
NOTICE TO PARENTS OF YEAR 11 STUDENTS

We have been advised by Queensland Health that if Year 11 students did not receive their Boostrix (tetanus, diphtheria and whooping cough) last year in Year 10, they are still eligible to receive a free dose before the end of Year 11.

Interest parents can contact Toni Kelly, Vaccination Coordinator, at Child Health Mackay, 12 - 14 Nelson Street (phone: 4968 3863) and she can schedule an appointment time for you.

Important information about accident protection for students*

Dear Parent

Every day there are accidents involving children. To assist parents with costs associated with those accidents, we have SchoolCare Accident insurance provided by Catholic Church Insurances Limited. The SchoolCare Accident policy provides protection to all students attending our school.

The School Activities only cover includes accidental injury cover for school camps, school sports (including sports out of school hours as long as they are organised by the school), work experience and travelling to and from school or school activities. It also includes activities organised or authorised by the school. This includes before and after school care if organised by the school. Cover is worldwide.

Our policy covers three important areas of care and any one accident may be claimable under one or more of these areas.

Cover includes:
1. Up to $7,500 inclusive per accident for medical costs (excluding any Medicare expenses or the Medicare Gap) from the following registered medical practitioners:
   - Dentist
   - Chiropractor
   - Osteopath
   - Physiotherapist
   - Remedial massage
   - Podiatry
   - Acupuncture, and also costs from a
   - Chemist, and
   - Hospital accommodation and facility fees.

Please note:
Federal legislation in Australia prohibits Catholic Church Insurances from covering:
- the cost of any medical service for which a Medicare benefit is payable
- the Medicare Gap or
- the cost of any hospital treatment or other benefit unless the cost arises from an injury while taking part in certain activities, such as:
  - attending school
  - engaging in a sporting activity
  - a secondary student undertaking a work experience program
  - voluntary services to a religious, charitable, educational or benevolent organisation
  - youth activities organised by a voluntary association such as Guides or Scouts or
  - travelling to or from the above activities.

2. Fixed amounts for defined events. For example, when a student accidentally receives a fracture of the hand the policy will pay a fixed amount of $250. The full table of benefits lists all the defined events covered under the policy and the fixed amount payable. The full table of benefits is shown in the information sheet available at www.ccinsurances.com.au

3. Other benefits related to the injury sustained including:
   - Emergency transport resulting from an accidental injury
   - Home tuition
   - Hospital inconvenience allowance
   - Nursing allowance
   - Professional counselling fees and
   - Assistance with payment of school fees in the event of the accidental death of a parent or guardian.

These are all limited to specific amounts per accident. These amounts are detailed in the table of benefits contained in the policy, and are subject to the policy wording, terms, conditions and exclusions.

Your child may have an accident so please cut out the information below and keep it on your fridge or in a handy place. Please personalise the text box beside the opening paragraph (Name of school: etc.) with your relevant policy information.

*Summary only. See the policy document for full terms, conditions and exclusions.
