At our assembly this morning I spoke with our students about the importance of finishing strongly and finishing well. These next few weeks are critical times for both year levels but in particular the year 12 students as they prepare for the wider world. It is important to be remembered for the fine young people that they are. This is a season for hard work and there will be a time for celebration after that.

This Friday 26/10/2012 Australia celebrates World Teacher’s Day and as a college we will also celebrate School Officer Day. One of the traditions at St Patrick’s is for students to say their “thank you” by way of a card. To this end the office have created a supply of cards that students can use. Students are encouraged to write to teachers and support staff at this college or at other schools who have had an impact on their lives. We encourage students to do this now prior to the end because in the excitement of graduation and celebrations sometimes the thank you is forgotten. We encourage students to say thank you to any inspirational teacher they have had at any stage of their school career. On Assembly today I spoke to students and asked them to think about the following …

Why does someone teach? Why work in schools? Why work in a Catholic School? Why work at St Patrick’s? These are good questions I encourage you to ask the staff at the college. Who knows, you might like to do the same. Schools need great teachers and staff.

I think we teach because we love working with young people because in working with young people we touch the future. We work in schools because we are inspired by the enthusiasm and energy of youth. We love to see you develop, grow and blossom. We work in Catholic schools because the Christian message of hope and redemption for all people is a precious message that we want to share. We work at St Patrick’s because our motto is to “Seek Christ”. We seek Christ in each other – in every interaction in our day. We seek Christ in our pursuit of excellence. We seek Christ in sharing the joy of knowledge. We seek Christ in the empowerment that knowledge and skills bring to change the world.

The teaching staff at St Patrick’s are experts in their subject areas - Religion, English, Mathematics, Sciences, IT, History, Geography, Economics, Business, Physical Education, Japanese, Learning Support, Art, Music, Drama, Film, Industrial Technology, Home Economics, Hospitality, Early Childhood. All staff love learning, they love to share their love of learning with you. They also share their love of sport and cultural pursuits in the co-curricular program and extension programs such as F1, tours and Saturday school, and community programs such as visitation of St of Assisi home or music ministry at St Patrick’s Church.

Our school officers support and are part of this process – helping the efficient running of the college, directly supporting in classroom, working in the office, working in IT, working in the Tuckshop, working in the grounds, working in the laboratories, working in the library - all so that the learning experience at St Patrick’s will be special for you.

Schools are unique places, St Patrick’s is a very special place, a great community of faith and learning – I love it here, because we have great students, and a truly wonderful staff. Please look at one of the staff in front of you who has made a real difference for you as you applaud them.

Eisteddfod
Congratulations to all of our students who are working so hard in the Eisteddfod either in performances for the college or in other groups or individual performances. The Mackay Eisteddfod is a very impressive showcase of the local talent in town.

Readings for this weekend’s Mass
First reading: Jeremiah 31 : 7 – 9; “For I am a father to Israel”. Psalm: Psalm 125 : 1 – 6 ‘What marvels the Lord worked for us! Indeed we were glad’. Second reading: Hebrews 5 : 1 – 6 “You are my son, today I have become your father”. Gospel Mark: 10 : 46 – 52 ‘Son of David, Jesus, have pity on me’.

Kea McNeill – Campus Minister

“But seek his kingdom, and these things will be given to you as well. Do not be afraid, little flock, for your Father has been pleased to give you the kingdom.” (Lk 12:31-32)

Is your life busy? Do you ever feel pressed for time, with too much to do and too few hours to get it done? OK, I see your head nodding and your eyes getting big as if to say, “Uh, yeah!”

You’ve probably heard a lot about the idea of balance. The key to life is to find balance as you juggle classes, homework, sports, church, clubs, friends, family, and maybe even a part-time job. And – oh, yes – God. It all seems so overwhelming sometimes.

Here’s the thing: according to Jesus, balance is impossible if we’re talking about giving every item on our calendar equal attention. Giving God 5 percent won’t help us much. The key is to seek first the Kingdom, with all your heart, and then trust God to lead you to a Christ-centred “balance.”

When we try to squeeze Jesus into a packed calendar, we usually end up squeezing him out.

What are some of the things you’re juggling at school and other places?
Lord, Help me to keep things in perspective
and not to worry about assignments and exams
or to care too little.
When pressure overwhelms me,
Remind me that you hold my future in your hands,
And that all does not rest on the result of this study.

Help me to manage my time well,
To make time to rest and play
As well as study.

Help me to revise effectively,
And to remember all that I have and will study through this school term.
May I always give you all the glory for all that I am and do.
Amen

Eisteddfod
The Mackay Eisteddfod offers all of our cultural students one of the very few opportunities to perform to an audience. This is one of the key purposes of the different Art forms – the other is of course the sheer joy of singing, dancing, acting or playing music. Way down the list are any prizes or places – these are often long forgotten while the excellence of performance remains. We congratulate the many students involved in this year’s eisteddfod.

Release of Year 12 Results for 2012
All Year 12 students need to take notice of the following information:
Professional Day
On Tuesday 30 October the college will be holding its annual Professional Day – this is a day where ALL students do not come in uniform but dress for their future employment. This has been a huge success in the past and we have been encouraged by Industry to make students very clear of workplace dress codes as they prepare for their future careers. Vouchers and other prizes will be given out on the day for the most appropriately dressed students. This is judged by uniform supplier – Uniform Solutions. (Please see page 9 for further information).

College Sports Uniforms (Reminder)
A number of our college teams have now completed their competitions or will do so in the coming weeks. All students must ensure that they return all college sports uniforms to the team coach ASAP after the competition is completed. Failure to do so will result in a bill being sent out to pay for the replacement of these uniforms. These uniforms are often quite expensive. There are many netball skirts and bodysuits still to be returned. Students who are still in possession of these uniforms are also being issued with weekly detentions until the uniforms are returned.

St Patricks Girls Football 2012 (Mr Brian Smith)
2012 proved to be a very successful year for football (soccer) at St Patricks College. After a disappointing number of girls nominated to play football this year we had to combine again with Holy Spirit College. To be fair a lot of girls wanted to play for the college but work commitments on a Thursday afternoon took priority. So the Holypats came into being once more.

The girls won all their games over the season finishing in first place. The playoff was against Mackay State High School, played at Virgin Mackay Stadium. Mackay High scored first in the final but two excellent goals from the captain Emily Smith had the Holypats 2 - 1 up at halftime. The second half saw the scores level at 3 all, with only ten minutes to go.

Two further goals from the Holypats saw the team home with the final score being Holypats 5 – Mackay High 3.

I would like to thank all the players for their solid commitment to the team over the season.

WORKING TOGETHER TO KEEP ST PATRICK’S COLLEGE SAFE

We can work together to keep knives out of school. At St Patrick’s College:

- Every student has the right to feel safe and be safe at school.
- No knives are allowed to be taken to school by students.
- There is no reason for a student to have a knife at school, and it is against the law for a student to have a knife at school.

If a student has a knife a school, they can expect serious consequences, such as fines and possibly jail. Longer jail sentences can be given to young people if someone is injured with a knife during an assault.

What kinds of knife are banned?

- No knives of any type are allowed at school, including flick knives, ballistic knives, sheath knives, push daggers, trench knives, butterfly knives, star knives, butter knives, fruit knives or craft knives, or any item that can be used as a weapon, for example a chisel.
- Knives needed for school activities will be provided by the school, and the use of them will be supervised by school staff.
- In circumstances where students are required to have their own knives or sharp tools for particular subjects or vocational courses, the school will provide information about the procedures for carrying and storing these items at school.

The College Principal can take tough action against a student who brings a knife to school.

- If a student has a knife at school, principals can inform the police.
- Possessing a knife at school may result in serious disciplinary consequences including suspension and termination of enrolment.
- Police can search a student and their property at school if they suspect a student has a knife.
- A student may be charged with a criminal offence and may face serious consequences if convicted, including a fine or jail.
- School property such as desks or lockers may be searched if the principal suspects that a student has a knife on or in school property.
- If the principal suspects the student has a knife in their bag, the bag may be temporarily confiscated until police arrive.
- If the student does have a knife at school, it can be confiscated by the principal and given to the police.

How can parents help to keep St Patrick’s College safe?

- Make sure your student knows what the laws and rules are about knives.
- Do not include knives or knife tools in students’ lunch boxes, pencil cases or craft kits.
- Contact the principal if you believe your student is being bullied or threatened at school.
- If you want to talk about students and knives at school, please contact the principal.
**Mackay Street Chaplaincy is ready to begin!**

Caring outreach, serving the city of Mackay, making a difference

**Calling for volunteers:**

Training commences at 7.30pm from Monday 22 October for 6 weeks (Oct. 29, Nov. 5, 12, 19, 26) at Mackay Baptist Church, Shakespeare Street providing Police, First Aid, other training and team building.

Mackay Street Chaplains will be an incorporated body run by volunteers from across the churches of Mackay and the wider community, offering God’s love and presence, providing a listening ear and engaging the community with practical acts of service. This is to be a safeguard for vulnerable people in need of assistance in the nightclub district on alternate Fridays and every Saturday night.

As in Townsville, volunteers, wearing the distinctive purple vests, will patrol the nightclub district in teams of two or more, seeking ways to assist people who may be at risk. They will work closely with police, security and ambulance officers to help make nights out in the City Heart safer for all. They will provide a friendly presence, comfort, advice, first aid care and assistance to get home safely.
